Preliminary Scientific Program

Thursday, 30 September

9.00 – 14.00 Precongres cours

Minimal invasive surgery in gynecological malignancies.

15.00. The Resident’s Afternoon - Session I
Moderators: Viorica Nagy, Valentin Cernea

16.30. The Resident’s Afternoon – Session II
Moderators: Rodica Anghel, Tudor Ciuleanu

17.30-18.00. Coffee break

18.00. Case reports
  • Cervical cancer
  • Endometrial cancer
  • Ovarian cancer

20.00. Welcome Cocktail

Friday, 1 October

8.30 – 9.00. Opening Ceremony

9.00. Cervical Cancer - Session I
Moderators: Prof. Dr. Nicolae Ghilezan, Assoc. Prof. Alin Rancea

Quality Assurance and Quality Control in cancer care
  Acad. Prof. Dr. Nicolae Ghilezan
Radiobiologie des cancers du col utérin : applications en curiéradiation et modulation d'intensité.
  Prof. Dr. Eric Lartigau, Centre Oscar Lambret, Lille
Role of laparoscopy in staging and therapy of cervical cancer patients.
  Prof. Dr. Cristhard Köhler, Charité University, Berlin
Modern radiotherapy techniques for treatment of gynaecological carcinoma.
  Prof. Dr. Simone Marnitz-Schulze. Charité University, Berlin

11.00 - 11.30. Coffee break
11.30. Cervical Cancer - Session II  
Moderators: Prof. Dr. Viorica Nagy, Prof. Dr. Florin Stamatian

Modern management of early-stages cervical cancers  
*Alexandru Traila*

Complex Cancer Treatment: Brachytherapy Progress  
*Claudia Ordeanu*

Radio-chemotherapy in Cervical Cancer: Proved Efficiency  
*Viorica Nagy*

HDR Brachytherapy: a cost-efficiency perspective  
*Gabriel Kacso*

Original papers

13.30 - 14.30. Lunch

14.30. Cervical Cancer - Session III  
Moderators: Prof. Dr. Rodica Anghel, Assoc. Prof. Dr. Dan Eniu

Detection of HPV infection and its clinical utility – *Ovidiu Balacescu*

MR Imaging in Diagnosis, Staging and Surveillance of Cervical Carcinoma Before, During and After Therapy  
*Raluca Anca Popita, V. Popita*

Results of preoperative endocavitary brachytherapy in early cervical cancer.  
*Ovidiu Coza*

Predictive assays for the clinical outcome in cervix carcinoma: where do we stand?  
*Ioana Brie*

10 Years experience in MDR – Brachytherapy for cervix cancer  
*Sorin Gavris*

Original papers

15.30 - 16.00. Coffee break

16.00. Endometrial Cancer - Session I  
Moderators: Assoc. Prof. Dr. Alexandru Irimie, Dr. Ovidiu Coza

The prognostic and therapeutic impact of surgery in endometrial cancer  
*Alin Rancea*

Adjuvant treatment of endometrial cancer  
*Rodica Anghel*
Controversies on radiotherapy indications in the management of endometrial cancer

**Ovidiu Coza**

Round table: Multidisciplinary Approach of the Endometrial cancer: the “Prof. Dr. Ion Chiricuta” Oncological Institute Experience

**Moderators:** Viorica Nagy, Alin Rancea

- Patients’ characteristics **Zsolt Fekete**
- The pathologist’s Point of View: Prognostic Significance of Angiogenesis, p53 and Bcl-2 Expression in Endometrial Carcinoma; A Multivariate Analysis **Liliana Resiga**
- The Surgeon’s Point of View: Therapeutic failures in endometrial carcinoma **Alin Rancea**
- The Radiotherapist’s Point of View: The Importance of Radiotherapy in Uterin Cancer Treatment **Claudia Ordeanu**
- Conclusions **Viorica Nagy**

18.00 - 18.30. Coffee break

18.30 **Annual Meeting of Romanian Society for Radiotherapy and Oncology**

- 20 years since the foundation of RSRMO: summing-up, perspectives
- Election for the RSRMO Board of Directors 2011-2013

20.30. Dinner

---

**Saturday, 2 October**

**9.00. Ovarian Cancer - Session I**

**Moderators:** Assoc. Prof. Dr. Alin Rancea, Assoc. Prof. Dr. Tudor Ciuleanu

Surgery in ovarian carcinoma. An evidence-based approach **Patriciu Achimas**

Significance of circulating tumor cells in gynecologic cancers **Rares Buiga**

Improving ovarian cancer: What's new in systemic treatments? **Lucian Miron**

Results of Peritoneectomy and HIPEC in Ovarian Cancer" **Dan Eniu**

Management of peritoneal carcinomatosis due to ovarian cancer **Adrian Udrea**

11.00 - 11.30. Coffee break
11.30. Ovarian Cancer - Session II
Moderators: Dr. Patriciu Achimas, Assoc. Prof. Dr. Lucian Miron

- Targeted therapy in gynecological tumors – is it too soon?  
  Tudor Ciuleanu
- Unresolved issues in the management of ovarian cancer  
  Maria Turdean
- Dose-dense chemotherapy – a new approach in recurrent/metastatic ovarian carcinoma  
  Calin Cainap
- Gestational Trophoblastic Disease: General Considerations and Management of Nonmetastatic and Metastatic Disease  
  Cristina Cebotaru
- CT and MR Imaging of Peritoneal Carcinomatosis in Neoplasms of the Female Pelvis  
  C. Popita, V. Popita
- Role of PET/CT in diagnosis of gynecologic cancers  
  Orestie Straciuc

13.30. - 14.30. Lunch

14.30. Session III - Original papers, poster discussion

16.00. Closing remarks

Saturday, 2 October

9.00. Oncology nursing session
Moderators: Dr. Calin Cainap, As. Eliza Ciglanean

- Introduction: The nurses’ role in the modern management of cancer –  
  Viorica Nagy
- HPV vaccination in cervical cancer prevention  
  Viorica Nagy
- Chemotherapy: administration and incidents  
  Calin Cainap
- Drug interactions in oncology  
  Claudia Militaru
- Pain management  
  Claudia Burz
11.00 - 11.30. Coffee break

11.30. Original papers.

13.15. Closing remarks

13.30. - 14.30. Lunch

9.00. Radiotherapy technologist’s session
Moderators: Dr. Gabriel Kacsó, Ovidiu Pârv

Problems and solutions in chest tumors
   Dan Vatca, Ana-Maria Fatiol, Noemi Vincze, Doru Barbur

Quality control in external beam radiotherapy with linear accelerator for pelvi-abdominal tumors
   Ovidiu Parv, Rares Bujor, Sipos Florin

Possible mistakes and their impact in head and neck cancers irradiation with cobalt machine
   Cornel Szabo, Radu Diviricean, Dan Demeter, Valentin Bocarnea.

Quality control in external beam radiotherapy – clinical perspective
   Daniela Martin, Valentin Cernea, Gabriel Kacsó

Medical physics in quality control assurance in external beam radiotherapy
   Victor Bogdan, Dan Dordai, Gabriela Tufascu, Aurel Chis

Quality control in brachytherapy
   Margareta Bako, Edina Dordai, Lucia Talpău

11.00 - 11.30. Coffee break

11.30. Original papers.

13.15. Closing remarks

13.30. - 14.30. Lunch
